

都會型大學全球聯盟成員入盟指引

1. 原則

都會型大學全球聯盟（GCMU）的宗旨是連接全球的都會型大學。通過相互合作，GCMU 成員以全球視角探討城市相關議題，形成合作和分享最佳實踐與想法的網絡。為了邀請合適的候選成員加入聯盟，GCMU 常任理事會為成員制定了以下原則。

- GCMU 是一個致力於城市發展的都會型大學聯盟；
- GCMU 的目標是延伸至全球各大洲地域（根在亞洲）；
- GCMU 的網絡將覆蓋世界上主要國家、地區和城市；
- GCMU 由代表其所在城市的成員大學組成。

2. 入盟標準

當一所大學被提名或主動申請加入 GCMU 時，他們應滿足以下條件：

- 該大學所在城市最宜是目前沒有已加入 GCMU 的成員院校；
- 該大學位於一個國家的首都，或一個地區的最大城市，城市人口規模超過250萬，或任何其他重要的城市；
- 該大學需能代表其所在城市的特色；
- 大學的教學理念融合了理論和實踐；
- 大學展示了建設性的城鄉關係（通過專案、方案、計畫等）；
- 大學在規模上與現有聯盟成員能相匹配；
- 該大學可以並且願意領導或參與 GCMU 的專案。

3. 範圍

為了確定特定地區內的成員數量，可參考下表提供的相關標準：

4. 提名

理事會成員每年最多可以提名3所大學；其他成員每年可以提名1所大學。所提名的成員數量將會定期進行審查和調整，而不提前另行通知。

在進行提名時，成員可以增廣聯盟的國際觸角與全球城市的代表性為考量，以協助聯盟提高其在亞洲與其他城市的代表性。

5. 選拔

有興趣加入聯盟的都會型大學，須將完整填妥的申請表（附件1）在理事會年度會議召開前至少一個月前移交至 GCMU 常務秘書處（該會議通常在每年底舉行）。理事會將評估所有收到的申請，並在 GCMU 年度會議上向全體成員推薦入圍的候選成員；若在上述會議中無異議，該入圍候選成員將被接納為聯盟成員。若對新成員有任何爭議，理事會的決定將視為最終結果。

6. 觀察員

在高校正式加入聯盟前，其可以觀察員身份參加聯盟活動。其觀察員身分的細則（如時長）由理事會決議。

GCMU Membership Guideline

1. PRINCIPLES

The Global Consortium of Metropolitan Universities (GCMU) set out to connect metropolitan universities around the globe. By working together, GCMU members address city issues with a global perspective and form a network for collaboration and sharing of best practices and ideas. To invite like-minded candidates to join the group, the GCMU Executive Council has laid out the following principles for the membership:

- **GCMU is a group of metropolitan universities that dedicate to cities;**
- **GCMU aims to achieve geographical presence in all continents (with roots in Asia);**
- **GCMU's network shall cover major countries, regions, and cities of the world;**
- **GCMU comprises member universities who are representative of their located cities.**

2. CRITERIA

When a university is nominated, or proactively applies, to join GCMU, they shall meet a set of criteria listed below:

- The university is preferably located in cities where GCMU is currently absent;
- The university is located in the capital of a country, the largest city of a region, in a city with a population of more than 2.5 million people, or any other cities of significance;
- The university shall represent and embody the characteristic of its city;
- The university's pedagogical philosophy blends theory & practices;
- The university demonstrates constructive town-gown relationships (through projects, programmes, schemes, etc.);
- The university is in a compatible scale to existing GCMU member institutions;
- The university could and would lead or take part in a GCMU project.

3. SCOPE

To determine the number of members within a specific location, the table below provides a rule of thumb and serves as a reference point:

Capital/Population (million) ²	No. of membership
Capital/largest city of a country/region	1
Population >7.5	3
Population 2.5-7.5	2
Population <2.5	1

Table 1. No. of membership per city

To elaborate further, if a city is the capital of a country as well as with a population of more than 7.5 million people, the maximum number of GCMU members in that city would be 1+3.

4. NOMINATION

The Executive Council Members could nominate up to three universities per annum; the Consortium Members could nominate one university per annum. These figures will be reviewed regularly and adjusted without prior notice.

When nominating an institution to the Consortium, Members are encouraged to consider the global reach and city representation of the Consortium and help GCMU expand its portfolio in Asian cities and beyond.

5. SELECTION

Universities who are interested in joining the Consortium shall submit completed application form (attachment 1) to the GCMU Permanent Secretariat at least a month before the Executive Council's annual meeting which usually takes place towards the end of a year. The Executive Council will evaluate all applications received and put forward short-listed candidates to the whole membership at an GCMU Annual Meeting; universities will be admitted to the Consortium should there be no objection at the said meeting. If there is any dispute regarding new membership, the Executive Council's decision will be final.

6. OBSERVER

Before an institution formally joins GCMU as a member, they could participate in GCMU events as an Observer. The duration and granting of an observership will be determined by the Executive Council members.
